MAYOR AND COUNCIL PUBLIC HEARING
TUESDAY, NOVEMBER 18, 2008, 7:09 P.M.

Proposed Resolution to Terminate City of Brunswick Water Service to the Rosemont Service Area and All Current Rosemont Service Area Customers

Mayor gives overview of speaking rules, i.e. citizens will have five minutes, will go in order they signed up in, etc.

Dave Dunn gives staff report (attached.)

Mayor mentions presence of City Attorneys, Danny O'Connor and Paul Rose.

Jackie Ebersole–1219 Rosemont Drive–Exhibit 3

Buck Richardson–Retired Engineer–Exhibit 4

Woody Woodrum–Exhibit 5

Tom Watson–3513 Petersville Road–Rosemont community has always been tied closely to Brunswick–50 years ago, and today. Rosemont citizens are heavily involved in Brunswick activities and organizations. Rosemont is not Brunswick's enemy. Rosemont Commissioners originally thought Frederick County would help resolve this situation, but having learned that the County would not, Rosemont is willing to work with Brunswick on a resolution to the situation.

Smith–Asks why Rosemont never responded to Brunswick's original letter in January of 2008.

Tom Watson–Rosemont had no means to meet the demands of that letter, therefore, Commissioners didn't feel it should be signed.

Elaine Childs–3508 Petersville Road–Exhibit 6

Vivian Smith–211 Wintergreen Lane, Brunswick–Has been a Brunswick resident for 30 years, and pays Brunswick taxes. Feels Rosemont residents, should be charged Brunswick taxes, then all of Brunswick can work together to fix this problem.

William Lee Jr.–1422 Souder Road–Exhibit 7 & 8

Thomas Overton–3619 Petersville Road–Wonders how much money Brunswick has received to upgrade our water facilities...money that is for all users, not just Brunswick citizens.

Steve Harshman–3604 Petersville Road–Thinks Brunswick's original proposal would only benefit Brunswick. Believes if Rosemont water is shut off, Brunswick would have a public health concern at their "gateway."
